About the Broadway Ensemble Awards

The Broadway Ensemble Awards celebrate the extraordinary performers who form the backbone of Broadway productions—the ensemble. These artists bring depth, energy, and storytelling power to every performance, creating the vibrant worlds that audiences experience on stage.

The awards recognize the dedication, talent, and collaboration that ensemble members contribute to Broadway and the American theater. By honoring these performers, the Broadway Ensemble Awards shine a spotlight on the essential artistry that helps make Broadway productions truly exceptional. The Concept and creation of the live event is the brainchild of Stage Door Miracles Inc., a non profit musical theater producing organization.
